

# If I Had a Heart

## Fever Ray

This will never end  
'Cause I want more  
More, give me more  
Give me more This will never end  
'Cause I want more  
More, give me more  
Give me more If I had a heart I could love you  
If I had a voice I would sing  
After the night when I wake up  
I'll see what tomorrow brings If I had a voice, I would sing Dangling feet from window frame  
Will I ever ever reach the floor?  
More, give me more, give me more Crushed and filled with all I found  
Underneath and inside  
Just to come around  
More, give me more, give me more If I had a voice, I would sing
