Save Your Kisses For Me

Natasha Thomas

Save your kisses for me Show me how you miss me All so easily my lovin' Save your kisses for me 'Cos I don't wanna be

A summer love thingThe way of your touch is always heavenly
And I love the way that you're loving me

You wrapped me up in the color of your love

You must be an angel high from aboveHow can I be sure that you won't go

And what will be Save your kisses for me

Show me how you miss me

All so easily my lovin'

Save your kisses for me

'Cos I don't wanna be

A summer love thingAre you gonna be there when I need someone

And will I be always just the only one

I don't wanna have just another heartbreak

So tell me is your love true or a fakeHow can I be sure that you won't go

And what will be Save your kisses for me

Show me how you miss me

All so easily my lovin'

Save your kisses for me

'Cos I don't wanna be

A summer love thingOne kiss, one love, one word

One vow and nothing more

One night, one dream

Gonna save it, save it for meSave your kisses for me

Show me how you miss me

All so easily my lovin'

Save your kisses for me

'Cos I don't wanna be

A summer love thingShow me how you miss me

I don't wanna be

A summer love thingSave your kisses for me

'Cos I don't wanna be

A summer love thingSave your kisses for me
