

The Lord Has Done Great Things

[Jaime Cortez](#)

Refrain: The lord has done great things for us we are filled with gladness and joy, we are filled with gladness and joy. 1. When God set the captives of Zion free we were more like children in a dream, then you could hear or laughter and cheers, then you could hear shouts of joy! 2. We said in amazement to the world indeed God has done great things for them, truly our God has done great things and so we are glad we shout for joy 3. Restore all our fortunes God of love like rivers that save the desert lands those who have gone to sow in tears, shall go back to reap with songs of joy YouTube
