

# Star (2012 Remastered Version)

## David Bowie

Tony went to fight in Belfast  
Rudi stayed at home to starve  
I could make it all worthwhile  
as a rock & roll star  
Bevan tried to change the nation  
Sonny wants to turn the world, well he can tell you that  
he tried  
I could make a transformation as a rock & roll star

So inviting - so enticing to play the part  
I could play the wild mutation  
as a rock & roll star  
I could do with the money  
I'm so wiped out with things as they are  
I'd send my photograph to my honey - and I'd c'mon like  
a regular superstar

I could fall asleep at night  
as a rock & roll star  
I could fall in love all right  
as a rock & roll star
