

Taking People

Cat Power

Who, who never showed you
About the easy way?
Whose robes did they trade you
For such an easy life? Who, who never showed you
About the easy way?
Who, who never told you
About the perfect life? Guess it's some kind of
Some guarantee
You'll never see If I was a photographer
Picture taking, beautiful people
I guess I'd make a mistake
'Cause I'd probably take a picture of you Who, who never showed you
About the easy way?
And whose robes did they trade you
Oh for such a perfect life Well, that's such a guarantee
It leaves some certain sickness
You'll never know inside of me And that's all I have
