

Wish You Were Mine

The-dream

From the top
From the top
From the top I just wanna roll with you
There's nothing else that i'd rather do
I'm shooting for the stars
Maybe we can land on the moon
And baby i'd be your fool
Your so dope and cool
But you're with this other guy
Maybe some other time
But damn i wish you were mine I i i wish you were mine
I wish you were mine I just wanna lay with you
Can i spend all day with you
Usually i'm not that guy
But there's something 'bout you i like
I wanna be the one
When it's all said and done
But i may never get the chance
Cuz you've got a man
But damn i wish you were mine Oh oh oh oh oh
I i i wish you were mine
I wish you were mine
Oh oh oh oh i wish you were mine And when my i love your girl shit
And really i'm sorry
But not really sorry
At all
And i don't wanna start shit
But i know that i'm startin' shit
Get rid of that starter kit
And come on
C come on c come on come on come on come on Girl i wish you were mine
Oh oh oh oh oh
Girl i wish you were mine
I wish you were mine
Why we always on something
That somebody else tries
But this ain't like none of them times
I really adore you a lot
Tryin to make you my girl

Even though you got a man
This ain't no one night stand shit
Stalking you like a fan shit
Im just playin shit
You know your body's the bomb
You'll do whatever you want
You got me in my falsetto
Singin all this sweet shit
All up in your flower bone
I'm ready to make
Every time feel like your first time
I know he's waiting at home
But thinking 'bout it ain't a crime I i i wish you were mine
Wish you were mine
I wish you were mine
I wish you were mine
I wish you were mine
