Dark Princess Naamah

Therion

First invocation:
In my deepest mood
Hear my call for you 'o mighty one
My protector above
Let me share your sights
Take me far away
Let me ride with you
On the back of the red great dragon
I am daemon TabaanHear my call
Demon Empress
The second face of LilithThe revelation:
I'm on my way into your domains
And I will find you, I seek not in vain
I'll cross through your deserts
I'll cross through your seas
Beyond the black mountains until you appearI'll tame the beast
I'll ride the storm of death
