

# Key To My Heart

Jessica Jarrell

Boy, you put me on the spot  
I don't know what to say but I'm trying anyway  
Like my hearts gonna drop  
My mind drifts away and I can't control the pains  
Words are spinning in my head  
Don't know why I'm holding back  
I should just tell you how I'm feeling, yeah, heh  
But I don't wanna act a fool  
Don't wanna look confused  
If I let you know about the way I feel  
Don't know what you gonna do  
So I keep it locked inside  
And imagine you were mine  
And I'm feeling you so close but yet so far  
You hold the key to my heart  
The more I brush it off, tell myself it's nothing at all  
Deeper I fall and I imagine everyday  
A thousand different ways  
How you respond to what I say  
Am I getting lost in my dreams?  
Are you unreachable to me?  
'Cause these butterflies just won't go away  
I don't wanna act a fool  
Don't wanna look confused  
If I let you know about the way I feel  
Don't know what you gonna do  
So I keep it locked inside  
And imagine you were mine  
And I'm feeling you so close but yet so far  
You hold the key to my heart  
But if I never tell you then you'll never know  
And the secret is getting heavy to hold  
This is more than just a crush  
So I may stutter when I speak  
And my knees may get a little weak  
But I've got nothing to lose and only you to gain  
Tell me, do you feel the same?  
But I don't wanna act a fool  
Don't wanna look confused

If I let you know about the way I feel  
Don't know what you gonna do  
So I keep it locked inside  
And imagine you were mine  
And I'm feeling you so close but yet so far  
You hold the key to my heart
