

Freek'n You

ANTHM

I wanna freak you
I wanna freak you
I wanna freak you
I wanna freak you
I wanna freak you
I wanna freak you
I wanna freak you
I wanna freak you
Every time I close my eyes
I wake up feelin' so horny
I can't get you outta my mind
Sexin' you be all I see
I would give anything
Just to make you understand me
I don't give a damn about nothing else
Freek'n you is all I see
Tonight, I need your body
Tonight, you got my time
Tonight you won't be sorry
Tonight, you got my mind
You got my mind, all I wanna do is freak you
What must I say
What must I do
To show how much
I think about freek'n you
What must I say
What must I do
To show how much
I think about freek'n you
Oooh, I could go on for days
But I couldn't go on for weeks
I can even play with another body
But it wouldn't last 'cause I'm a freak
Turned on by everything you say
I'm turned on by everything you do
And at night when I close my eyes
I only dream of freek'n you
Tonight, I need your body
Tonight, you got my time

Tonight, you won't be sorry
Tonight you got my mind
What must I say
What must I do
To show how much
I think about freak'n you
What must I say
What must I do
To show how much
I think about freak'n you
Freak out
And freak me up and down
DeVante Swing
Freak out
And freak me up and down
Freak out and freak me up and down
Every freak'n night and every freak'n day
I wanna freak you baby in every freak'n way
Every freak'n day, every freak'n night
I wanna freak you girl
Your body's so freak'n tight
Every freak'n night and every freak'n day
I wanna freak you baby in every freak'n way
Every freak'n day, every freak'n night
I wanna freak you girl
Your body's so freak'n tight
What must I say
What must I do
To show how much
I think about freak'n you
What must I say
What must I do
To show how much
I think about freak'n you
What must I say
What must I do
To show how much I think about freak'n you
I think about freak'n you
I wanna freak you
I wanna freak you
I wanna freak you
