It's Alright, It's OK

leah andreone

Broken doll, baby
And she says that
"Life's a waste"
It doesn't have to be that wayDad threw away her mom
Her mom gave up his name
Crucified by their words
Nailed by shameShe stares into the sun
Self-inflicted pain
She sees that they're blind
Why does she take all the blame?The rhyme has changed
Compulsion rules
Mary's little lambs
Are now raised by wolvesA voyeur with wings
Flashes a cure
She knows forbidden things
They have a lovely lureIt's alright, it's okay
Welcome to this life
Killin' time
Just watchin' the grass growIt's alright, it's okay
Welcome to this life
Don't worry, sweet baby
'Cuz it's over before you knowPersecuted, she's not normal
I envy her strange ways
Seven deadly sins
Seize the hour seize the dayHer ideas need expression
Her wounds never bleed
Her beauty lives in my eyes
Too bad, she can't seeShe doesn't try
I watch her spirits die
But giving up the ghost
Would feel so goodA voyeur with wings
Flashes a cure
She knows forbidden things
They have a lovely lureIt's alright, it's okay
Welcome to this life
Killin' time
Just watchin' the grass growIt's alright it's okay
Welcome to this life
Don't worry sweet baby

'Cuz it's overIt's alright, it's okay
Welcome to this life
Killin' time
Just watchin' the grass growIt's alright, it's okay
Welcome to this life
Don't worry sweet baby
'Cuz it's overCrumbling Camelot
Idle teardrops
Cloudy diamonds
Freebase fun houseExpecting to fly
But she's just standing still
Every time she gets it up
She just can't close the dealSo she gives herself another way out
Walks her dog for the 50th time and files her nails
Till they bleed and she cries now
She doesn't have to try
