

Taking Me Over

[ASG](#)

you don't remember me but i remember you
i lie awake and try so hard not to think of you
but who can decide what they dream?
and dream i do...i believe in you
i'll give up everything just to find you
i have to be with you to live to breathe
you're taking over me have you forgotten all i know
and all we had?
you saw me mourning my love for you
and touched my hand
i knew you loved me then i believe in you
i'll give up everything just to find you
i have to be with you to live to breathe
you're taking over me
i look in the mirror and see your face
if i look deep enough
so many things inside that are just like you are taking over
