

# Shake That Jelly (feat. Tyga)

Billy Wes

She in the club, shaking that jelly, shaking that jelly  
Shaking that jelly, shaking that jelly Your body looking right, baby please don't take me wrong  
Excuse me if I stare but I can see your thong  
I think I need to pull it, pull it towards me  
Shawty gonna push it, but push it on me  
I like it when you twerk, better when you jerk  
Move it like a snake, bite me till it hurt  
Whip, whip that body like a slave,  
Make, make, make sure that booty don't escape Where she going, where she going, I'm looking for  
Where she going, where she going, I'm looking for  
Where she going, where she going, I'm looking for She in the club, she going ham,  
Shaking that jelly, cause this a jam,  
Shaking that jelly, cause this a jam,  
She shaking that jelly, cause this a jam  
She shaking that jelly, cause this a jam  
She shaking that jelly, cause this a jam  
She shaking that jelly, cause this a jam Keep popping that body, we're faded in the club  
She feeling all on my body,  
Riding like the Ducatti, she gonna fuck somebody  
Dj play this shit, she gonna go karate  
I'm kick, kicking my game up, bad bitch and I banged her  
My chain like an anchor, but that shit cost some franklins  
Don't motherfuck with nobody, nobody riding that Shawty  
Unless her ass fly, then she could be a copilot  
Like, ah, fly shit we jetting off  
My future brighter you a falling star  
At the bar, buying bottles, we don't even fucking drink it all  
Showing off, going hard with this bitch She in the club, she going ham,  
Shaking that jelly, cause this a jam,  
Shaking that jelly, cause this a jam,  
She shaking that jelly, cause this a jam  
She shaking that jelly, cause this a jam  
She shaking that jelly, cause this a jam  
She shaking that jelly, cause this a jam Whole lot of jelly, a whole lot of bread  
Her skin pina butter, so go and let it spread  
Tryina see it now, fuck ? seen the ground  
Love you till it hurt, have you saying aww  
Girl you the truth, I'm a lion on the prowl

Better can you hear ? make the stomach growl  
I'm looking at you, I'm looking at you, lego, legoShe in the club, she going ham,  
Shaking that jelly, cause this a jam,  
Shaking that jelly, cause this a jam,
