

Doubt

Stereolab

Doubt will kill you
(Doubt, doubt, doubt)
Youth passed away
(Doubt, doubt, doubt)
Various controls
(Doubt, doubt, doubt)
Resignation
(Doubt, doubt, doubt)Doubt, doubt, doubt, doubt, doubt, doubt
Doubt, doubt, doubt, doubt, doubt, doubtUnmistakable
(Doubt, doubt, doubt)
Appeal of the marvelous
(Doubt, doubt, doubt)Doubt will kill you
(Doubt, doubt, doubt)
Youth passed away
(Doubt, doubt, doubt)
Various controls
(Doubt, doubt, doubt)
Resignation
(Doubt, doubt, doubt)Doubt, doubt, doubt, doubt, doubt, doubt
Doubt, doubt, doubt, doubt, doubt, doubtUnmistakable
(Doubt, doubt, doubt)
Appeal of the marvelous
(Doubt, doubt, doubt)Is it enough to show
(Doubt, doubt, doubt)
How the nightmare works
(Doubt, doubt, doubt)
So everyone will
(Doubt, doubt, doubt)
Wake up, is it enough?
(Doubt, doubt, doubt)
