

The Things You Said

Depeche Mode

I heard it from my friends
About the things you said
I heard it from my friends
About the things you said But they know me better than that
They know me better than that
They know my weaknesses
I never tried to hide them
They know my weaknesses
I never denied them I heard it from my friends
About the things you said
I heard it from my friends
About the things you said How can a view become so twisted?
How can a view become so twisted?
They know my weaknesses
I never tried to hide them
They know my weaknesses
You tried them I get so carried away
You brought me down to earth
I thought we had something precious
Now I know what it's worth I heard it from my friends
About the things you said
I heard it from my friends
About the things you said I've never felt so disappointed
Never felt so disappointed
They know my weaknesses
I never tried to hide them
They know my weaknesses
You thought that you liked them They know me better than that
