Living Inside Myself

Gino Vannelli

In my life
I've felt so self assured
But suddenly it's all changed
She's a cloud
That hangs above my world
And I find myself wond'ring in the rain
And now I can't go on'cause I am lost
Living inside myself
Living inside this shell
Living outside your love
I am lost
Somewhere inside my own dreams
Afraid of what life really means
Living without your loveI need a guiding light
To shine on my darkest days
I was young, and time was on my side
But like a fool I let it slip away
And now those days are goneAnd I am lost
Living inside myself
Living inside this shell
Living outside your love
I am lost
Somewhere inside my own dreams
Afraid of what life really means
Living without your loveIn my life
I've felt so self-assured
But oh how all the seasons change
And now I'm not that strong'cause I am lost
Living inside myself
Living inside this hell
Living outside your love
I am lost
Somewhere inside my own dreams
Afraid of what life really means
Living without your loveI am lost
Living inside myself
Living inside this shell
Living outside your love
I am lost
