

Love Like Mine

Daniel DiCriscio

You'll never find a love like mine
You'll never find a love
You'll never find a love like mine
You'll never find another love like mine

Take a chance
Tell me, what do you have to lose
When it comes to love and romance
You say you've had enough, you're through

Well, I know this isn't true
Because I can see right through you
You need a new experience to brighten up your day
So let me be the one, to show you the way
Oh! Oh!

You'll never find a love like mine
You'll never find a love
You'll never find a love like mine
You'll never find another love like mine

You can go around the world
In search of a love like mine
Have hundreds, thousands of lovers
Not one will you find a love like mine

You can go to Sweden, London, Paris and Rome
To New York, L. A., down to Rio de Janeiro
In time you'll see
There's no one that will love you quite like me
Oh!

You'll never find a love like mine
You'll never find a love
You'll never find a love like mine
You'll never find another love like mine

You can go to Sweden, London, Paris and Rome
To New York, L. A., down to Rio de Janeiro
In time you'll see

There's no one that will love you quite like me, oh!

(Repeat Chorus and fade)
