

# The Groove

## Sounds From The Burj Al Arab

So here it is again  
Rape and pillage prudence to win the public vote  
Someone tell me who will take the prize  
And who takes the fall  
So confused when you're lost in the groove  
So confused when you're lost in the groove  
And Delta comes again and her masks are shifting like a chameleon

Someone tell me why she breaks my fall and then breaks my heart  
So confused when you're lost in the groove  
So confused when you're lost in the groove  
Wow  
So confused when you're lost in the groove  
So confused when you're lost in the groove
