Shadows (It's A Fine Line Remix)

Au Revoir Simone

You tell me
That its getting better
But every time that we say goodnight [goodnight goodnight]I'm haunted by your eyes
And how long they've been cryingDon't tell me
About a bad reaction
Don't tell me that you plan to hide [to hide to hide]
Reasoning asideI'm moving on
I hope your coming with me
I hope your coming with meAnyone can answer their own questions
All you have to do is look inside [inside inside]
You know it inside
You know it will be alright [alright alright]
You know its alrightI'm moving on
I hope your coming with me
'Cause I'm not strong
Without youDon't blame it on
Your shadows'Cause I know all
About you
