

Say a Little Prayer

Donna Summer

Mr. Moonlight...shine bright
Show me my Mr. Right
Lights, camera, action
I want to be his sole distractionCupid draw your bow
Shoot it nice and slow
Send it straight to his heart
Love don't let him go
You must let him know
This is love from the start(Chorus):
Say a little prayer
Say a little prayer for me tonight
Say a little prayer
Say a little prayer for my hear tonightMama always told me
(sometimes)
What you get is not what you see
I'm not taking any chances
No more broken romancesCupid draw your bow fetch
(Chorus x2)
I promise to always love and care for him
And I promise...to do my very best for him
I promise...to cherish him for all of my lifeI promise...to always love and care for him
And I promise...I'll always be there for him
I promise...to love him for the rest of my life(Chorus out).
