

Piece of Ass

Nashville Pussy

We like to rock and we like to ride,
We always wanna get it on
We like it hot like our barbeque wanna do it
To you all night long Turbo thrust is our mission
On the table in the kitchen - YEAH! Chorus:
A-S-S, A-S-S baby yeah we wanna get a piece of ass
A-S-S, A-S-S baby yeah we all want a piece of ass We like 'em 1,2,3 at a time
Like pigs squealing under the sheets
Hog tied we're ready to dine
There's nothing like a good piece of meat Chorus: Some like it hairy some like it bushy
Everyone wants Nashville Pussy - YEAH!
