

DC-10

Liliput

Do you know
Do you know
Do you know where you will go?
If a dc-10 ever fell on your head
Laying in the ground all messy and dead
Or a mack truck run over you
Or you suddenly die in your sunday pew
Do you know where you're gonna go?
It can happen any day
It can happen anywhere
It can happen while you're nappin' in your easy chair
Happen at home
Happen at school
Happen while you're scattin' like a scattin' fool

Chorus

Do you know where you're gonna go?
Do you know where you're gonna go?

Do you know where you're gonna go
Straight to heaven
Or down the hole?

Chorus

747 fell out of heaven
Crashed through the roof of a 7-11
You're working on a slurpee
Things get hazy
Reach for a twinkie now you're pushing up daisies
Do you know where you're gonna go?
Do you know where you're gonna go? (where you're gonna go)
Do you know where you're gonna go? (where you're gonna go)
Do you know where you're gonna go
Straight to heaven
Or down the hole? (repeat)
