

This Ain't No Ordinary Love Song

P.O.D.

I don't belong
Too many wrongs
I'm so undeserving
I'm lost inside confusing minds
A slave to what I'm feeling
Scared of what I'm thinking
I'm not worried about forgiving you
The simple truth[Chorus: x3]
This ain't no ordinary love song
(This ain't no ordinary love song)This love undone
Words left unsung
Now I have become me
The reasoning escapes my soul that leads to understanding
Loving you to death is stopping someone else from living too
Now it's killing you[Chorus: x3]Losing control to all my thoughts
I want to let go but I cannot
This is my love it's all I got
Don't take there in hell I'll rot[x2]
This is my love it's all I got[Chorus: x3]This ain't no ordinary love
