

Ruin

The Pierces

This is the end of us
You'll never hear my voice again
You are ridiculous
With your imaginary friendsAll that I want is for you to come to ruin
All that I want is for you to come to ruin
All that I want is for you to come crawling backThis is the end of us
And everything you said we'd be
And all the love I bring
I will be taking home with meI do not want for you to be happy
I do not want for you to be happy
All that I want is for you to come crawling backI want you to come to me
I want you to come to me
I want you to come to me
I want you to, i want you toThis is the first day
Of many years of sorrow
You won't forget my name
But I'll forget your face tomorrowAll that I want is for you to come to ruin
All that I want is for you to come to ruin
All that I wantIs for you to come crawling back to me
Is for you to come crawling back to me
Is for you to come crawling back
Is for you to come crawling back to me
