

Hope

Robbie Seay Band

You are my greatest friend
You are my deepest need
You are my loudest cry
You are my everything You are my only hope
You are my only hope
You are my only hope You are my forgiveness
You are my every breath
You are my comfort here
You are my everything You are my only hope
You are my only hope
You are my only hope The maker of the earth
The giver of my life
The healer of my heart
Forgiver of my soul You are my only hope
You are my only hope
You are my only hope
You are my only hope
