

Notice (feat. Mickey Shiloh)

Aisa

I can be, anything you want, baby
Loving it, all the things you do, baby
I just wanna do ya, do ya, to ya all night
Ain't no time for talking
Don't get left behind
You, you are the one that I want
I know you want me too
So don't front(I know you notice)
Boy don't lie. Know you looking when I pass by
(I know you notice)
When I, put it... on ya
(I know you notice)
No baby don't back down
Give it to me right now
(I know you notice)
Baby I know
(I know you notice)
I know
(I know you notice)
You notice
Touching me, all night in the dark, uhuh
Now you need, me to pull you apart. Oh yeah
It ain't about the future. It's right now
We can make the world go round(I know you notice)
Boy don't lie. Know you looking when I pass by
(I know you notice)
When I, put it... on ya
(I know you notice)
No baby don't back down
Give it to me right now
(I know you notice)
Baby I know, yeah
(I know you notice)
I know
(I know you notice)
I know you notice me
How 'bout we toast to me, yeah yeah
Sipping on Hennessy
My homies on that blue dream
Yeah yeah
I feel that ecstacy

Didn't even take a thing. No no
Tryna get next to me
Wanna see what I see
 Yeah yeah
I can be anything that you want
 Everything I got on the bar
 Know I'm gonna flaunt, yeah
I wanna do it all night with you baby
 If you think you gon' play me
 You crazy
I can be anything that you want
 Everything I do is on the level
 Ain't about the talk, no
I wanna do it all night with you baby
 If you think you gon' play me
 You crazy
