

# Numb

## Disturbed

Bleeding I'm  
Crying I'm  
Falling I'm Bleeding now Bleeding I'm  
Crying I'm  
Falling I'm Bleeding now Bleeding now I'm  
Crying out I'm  
Falling down and I'm  
Feeling nothing like  
Laughing now I'm  
Stopping now I'm  
Reaching out and I'm  
Feeling nothing Yeah, you have created a rift within me  
Now there have been several complications  
That have left me feeling nothing  
I might say, you were wrong to take it from me  
Left me feeling nothing Crawling now I'm  
Beaten down I'm  
Tortured now and I'm  
Feeling nothing like  
Hunting now I'm  
Stalking now I'm  
Reaching out and I'm  
And killing nothing You've created a rift within me  
Now there have been several complications  
That have left me feeling nothing  
I might say, you were wrong to take it from me  
Left me feeling nothing That are ripping and tearing and feeding and growing inside of me  
Ripping and tearing and feeding and growing inside of me I want this  
More than you know  
I need this  
Give it back to me  
You've created a rift within me  
Now there have been several complications  
That are ripping, tearing and feeding and growing inside of me You've created a rift within me  
Now there have been several complications  
That are ripping, tearing  
Feeding,  
Growing  
Ripping

Tearing

Ripping and tearing and feeding and growing inside of me I want this

More than you know

I need this

Give it back to me
