Major Minus

Coldplay

They got one eye watching you
One eye on what you do
So be careful who it is you're talking to
They got one eye watching you
One eye on what you do

So be careful what it is you're trying to doAnd be careful when you're walking in the view Just be careful when you're walking in the viewOoh-ooh-ooh, ooh-ooh-ooh

Got one eye on the road and one on you

Ooh-ooh-ooh-ooh-ooh

Got one eye on the road and one on They got one eye watching you

And one eye on what you do

So be careful 'cause nothing they say is true

D-don't believe a word, it's us against the world

And we just got to turn up to be heardHear the crocodiles ticking round the world Hear those crocodiles ticking, they go ticking round the worldOoh-ooh-ooh, ooh-ooh-ooh

Got one eye on the road and one on you

Ooh-ooh-ooh-ooh-ooh

Got one eye on the road and

You could hear them climbing the stairs

I got my right side fighting while

My left hides under the chairsOoh-ooh, ooh-ooh-ooh

Got one eye on the road and one on you

Ooh-ooh-ooh-ooh-ooh

Got one eye on the road and one on you
