

Sweet Little Sixteen

The Hollies

(berry)

They're really rockin' in boston

Pittsburgh, pa

Deep in the heart of texas

Way down in 'frisco bay

All over st louie

Down in new orleans

All the cats going dancing

Sweet little sixteen

Sweet little sixteen

Just gotta have

Tight dresses and lipstick

Framed autographs

By tomorrow morning

She'll have to change the trend

Being sweet little sixteen

Back in class again
