

# Will I Ever

Alice DeeJay

Na, na, na, naI don't dare to let it show  
Therefore you will never know  
What I really feel inside  
And how I lay awake at nightWill I ever fall in love  
And if I do, will it be with you?  
Will I ever fall in love  
And will you be the one for me?Will I ever fall in love  
And if I do, will it be with you?  
Will I ever fall in love  
And will you be the one for me?Na, na, na, na, way, ohh  
Na, na, na, na, na, na, na, way, ohh  
Na, na, na, na, way, ohh  
Na, na, na, na, na, na, way, ohhI guess it's all in my head  
And I will be alone instead  
Dreaming of a night with you  
And all the things that we would doWill I ever fall in love  
And if I do, will it be with you?  
Will I ever fall in love  
And will you be the one for me?Will I ever fall in love  
And if I do, will it be with you?  
Will I ever fall in love  
And will you be the one for me?Will I ever fall in love  
And if I do, will it be with you?  
Will I ever fall in love  
And will you be the one for me?Na, na, na, na, way, ohh  
Na, na, na, na, na, na, na, way, ohh  
Na, na, na, na, way, ohh  
Na, na, na, na, na, na, na, way, ohh
