Don't Fence Me In

Roy Rogers

O give me land, lots of land, and the starry skies above
Don't fence me in
Let me ride through the wide open country that I love
Don't fence me inLet me be by myself in the evening breeze
Listen to the murmur of the cottonwood trees
Send me off forever but I ask you please
Don't fence me inJust turn me loose, let me straddle my on saddle
Underneath the western skies
On my cayuse, let me wander over yonder
Till I see the mountains riseI want to ride to the ridge where the West commences
To many words, gaze at the moon till I lose my senses
Can't look at hobbles and I can't stand fences
Don't fence me inO give me land, lots of land, and the starry skies above
Don't fence me in
Let me ride through the wide open country that I love
Don't fence me inLet me be by myself in the evening breeze
Listen to the murmur of the cottonwood trees
Send me off forever but I ask you please
Don't fence me inJust turn me loose, let me straddle my on saddle
Underneath the western skies
On my cayuse, let me wander over yonder
Till I see the mountains riseI want to ride to the ridge where the West commences
Gaze at the moon till I lose my senses
Can't look at hobbles and I can't stand fences
Don't fence me in
