

Made to Last

Charizma

Made to last a while
And roll on
Made to move in style
And move along
Made to dream of flyin'
So high
Made to wakeup cryin'
I don't know why
Beautiful one
Asleep in the sun
Secret, sweet and sublime
I hope you last a long, long time
I hope you last a long, long time
Made to come alone
And pair up
Flash like a rolling stone
Seventy one
One time love affair
(Beautiful)
With the Earth
Waiting on the air
(Beautiful)
For some rebirth
For what it's worth
Wherever you are
Nearby or far
Black, white, lemon or lime
I hope you last a long, long time
I hope you last a long, long time
(Do, do, dooo)
(Do, do, dooo)
I hope you last a long, long time
(Do, do, dooo)
I hope you last a long, long time
(Do, do, dooo)
I hope you last
I hope you last
I hope you last a long, long time
(Do, do, dooo)

A long, long time
(Hmmm)
