

Feel It Now

Black Rebel Motorcycle Club

And all my sorrows awaken
And all my fear's run down
I turn myself into an angel
I run myself into the ground

I'm on my own I'm sure I'll feel it now
I'm on my own I'm sure I'll know it now
I'm on my own I'm sure I'll feel it now
I'm on my own I'm sure I'll know it now

And all the reasons invading
Twist and turn my aching soul
I leave myself behind in pieces
I know you'll need them when I'm gone

I'm on my own I'm sure I'll know it now
I'm on my own I'm sure I'll feel it now

I'll never see again
I'll never see again
The worst has come I'm fallin' in
I'll never see you again
I'll never see you again
The worst has come I'm fallin' in

I'm on my own I'm sure I'll feel it now
I'm on my own I'm sure I'll know it now
I'm on my own I'm sure I'll feel it now
I'm on my own I'm sure I'll know it now
