Break from the Mills

Elijahovo

Hook
Ride through the mills,
Baby you know that your nigga got money to spend on you.
You say you love me but baby don't lie cause you know I depend on you.
Counting these rags I'm feeling like Pablo in love with the money too.
She got me on luck, I'm feeling like Gucci I think I'm in love with her.
I ride in the 4' she topping me off I swear its amazing yeah.
She don't want a plug she like that a nigga be living so dangerous.
I gave her the 40's and baby you know that you don't gotta aim at this.
She jump right on top rode me like a Harley she don't like the way for it nah.

Chorus.
I got me a cheque
All of this niggas upset.
I stay with the tag,
6 shots ain't worrying no vest.
I'm sipping the act.
I got me a cheque
I stay with the tag.
These niggas upset.
Oh no.
I got me a cheque
I stay with the tag
6 shots ain't worrying no vest
I'm sipping the act.
All of this niggas upset
I stay with the tag.
6 shots ain't worrying no vest.
I got me a cheque.
Oh no.

Verse1
I'm back on the road.
Poppin these xanx and the shit moving slow.
I'm all on my own.
Facing these blunts cause I don't trust no one.
But you was the one.
You rolling my blunts and you told me to go on.
And that shit for real.

And me and my bitch yeah we ride through the mills oh no.
And nigga was some.
Hop all the bag and I'm blessing shit up.
Straps in the trunk, fuck all my brothers I kill you I don't give a fuck.
Shit got me stuck
I'm off with the xan and a Lynn in my cup.
With niggas are bluf.
Know that I got it my nigga is right in the trunk.
But niggas is dumb.
Im never likin I'm shooting shit up.
And you better run.
I came with the forty that came with the drum.
And how you gon act.
I came to your hood and they said you a rat.
I'm sipping the act, stay with the Mac.
Got popped to me ain't coming back.
Niggas are fool.
Come to my city this niggas is cold.
