

Big Time Sensuality

The Starting Line

I can sense it
Something important
Is about to happen
It's coming up It takes courage to enjoy it
The hardcore and the gentle
Big time sensuality We just met
And I know I'm a bit too intimate
But something huge is coming up
And we're both included It takes courage to enjoy it
The hardcore and the gentle
Big time sensuality I don't know my future after this weekend
And I don't want to It takes courage to enjoy it
The hardcore and the gentle
Big time sensuality
