

Can He Love U Like This

After 7

You give him all your lovin', well
But you know you don't get that love in return, no
So how can I get you to know, well, well, well Although you seen it comin', hey
Girl you just couldn't get that man to ever learn
So this time I hope you move on You know that I'm what you're missin'
And you know that I'm good and it's good that you need
So please tell me baby Can he love you like this
Can he give you the good lovin' you need
Top it off with a kiss
Can he make you go all night long? Can he love you like this
Can he give you the good lovin' you need
Top it off with a kiss
Can he make you go all night long? I know it might seem dirty
But I'll do what I gotta do just to make you mine
And it was always a matter of time, yeah oh yeah You see, I know you want me
And I can tell by the way that you squeeze me
You can't get that kinda lovin' at home
I'll be strokin' you, rockin' you, turnin' you on And girl you know, that I'm what you're missin'
And you know that I'm good
So please tell me baby, baby, baby Can he love you like this
Can he give you the good lovin' you need
Top it off with a kiss
Can he make you go all night long? Can he love you like this
Can he give you the good lovin' you need
Top it off with a kiss
Can he make you go all night long? Ooh no, no, no, no, no, no, no
Yeah, yeah, yeah Oh 'cause you know that I'm what you're missin'
And you know that I'm good
So please tell me baby, tell me baby Can he love you like this
Can he give you the good lovin' you need
Top it off with a kiss
Can he make you go all night long? Can he love you like this
Can he give you the good lovin' you need
Top it off with a kiss
Can he make you go all night long? Can he love you like this
Can he love you, baby, can he love you
Can he love you, baby, can he love you
Can he give you everything that you've been missin'
Give you the love that you know that you need Can he love you like this

Can he give you the good lovin' you need
Top it off with a kiss
Can he make you go all night long? Can he love you like this
Can he love you, baby, can he love you
Can he love you , baby, can he love you
Can he give you everything that you've been missin'
Can he stroke you, and rock you, and give you the love Can he love you like this
Can he give you the good lovin' you need
Top it off with a kiss
