

Crazy

Me First and the Gimme Gimmes

A man decides after seventy years
That what he goes there for, is to unlock the door
While those around him criticize and sleep,
Criticize and sleep
And through a fractal on a breaking wall
I see you my friend, and touch your face again
Miracles will happen as we trip,
Happen as we speak, will happen as we speak But we're never gonna survive, unless
We get a little crazy
No we're never gonna survive, unless
We are a little Cray, cray, cray Crazy German people walking through my head
One of them's got a beer, he's yellin' in my ear
David Pollack finally lost his mind
That was five years ago
At an S.O. show But we're never gonna survive unless
We get a little crazy.
No we're never gonna survive unless
We are a little
Crazy,
No no, never survive, unless we get a little, bit In a sky full of people, only some want to fly
Isn't that crazy?
In a world full of people, only some want to fly
Isn't that crazy? Crazy,
In a heaven of people there's only some want to fly
Ain't that crazy?
Oh babe
Oh darlin'
In a world full of people there's only some want to fly
Isn't that crazy?
Isn't that crazy
Isn't that crazy
Isn't that crazy But we're never gonna survive unless
We get a little crazy.
No we're never gonna survive unless
We are a little
Crazy No no, never survive, unless we get a little
