I feel like fuckin  
I feel like fuckin  
I feel like fuckinIm just in one of them moods, I feel like fuckin  
Wanna lay up in somethin wet and punish somethin  
I want a nice lil baby who aint got on nothin  
I got a taste for some pussy, I feel like fuckinIm just in one of them moods, I feel like fuckin  
Wanna lay up in somethin wet and punish somethin  
I want a nice lil baby who aint got on nothin  
I got a taste for some pussy, I feel like fuckinAte pussy in the shower for the first time last week  
I got a confession to make to the world, Im a freak  
I think about wet pussy, all in my sleep  
My fantasy is to get caught fuckin on the beachThe best pussy you can get is when you gotta sneak  
I call my lil baby a shooter; when she nut, she skeet  
If I had my choice of how Ima die, Id be in some pussy, beatin  
Bammin pussy, then leave and cause a nigga cheatin?My baby sore, cause I done fucked her twice this evenin  
Said I fuck her so good, it feel like she dreamin  
Got her playin wit herself for no apparent reason  
Need some more of that pussy cause a nigga feeninIm just in one of them moods, I feel like fuckin  
Wanna lay up in somethin wet and punish somethin  
I want a nice lil baby who aint got on nothin

Ready to come up out these boxers, so I can gon and fuck her  
I can blame it on the liquor if I wanna suck her  
Know Im ready to fuck bad than a motherfuckerIm just in one of them moods, I feel like fuckin  
Wanna lay up in somethin wet and punish somethin  
I want a nice lil baby who aint got on nothin  
I got a taste for some pussy, I feel like fuckinIm just in one of them moods, I feel like fuckin  
Wanna lay up in somethin wet and punish somethin

I got a taste for some pussy, I feel like fuckinCan be four in the mornin or two in the afternoon

Just thinking bout that pussy get me in my mood  
Knowin that pussy on its way, get me in my groove  
Nothin like a bad bitch who body smoothLay her flat on the bed and look at her in the nude  
Then fuck on every inch of the whole room  
Money first, then pussy, then food  
Around fat pussy its hard to keep my coolGotta turn my head, so I dont fuckin drool  
I can tell when I want it, feel my boxers move  
Yet they pussy get wet, when they want it too  
Good pussy, the worst thing you can ever loseIm just in one of them moods, I feel like fuckin  
Wanna lay up in somethin wet and punish somethin  
I want a nice lil baby who aint got on nothin  
I got a taste for some pussy, I feel like fuckinIm just in one of them moods, I feel like fuckin  
Wanna lay up in somethin wet and punish somethin  
I want a nice lil baby who aint got on nothin  
I got a taste for some pussy, I feel like fuckinI feel like fuckin  
I feel like fuckin
