Straight Up

Me First and The Gimme Gimmes

Straight up now tell meStraight up now tell me
Do you really want to love me forever oh, oh, oh
Or am I caught in a hit and run?
Straight up now tell me
Is it gonna be you and me together oh, oh, oh
Are you just having fun?
Straight up now tell meDo do you love me?
C'mon now, do do you love me?Lost in a dream
I don't know which way to go
If you are all that you seem
Then baby, I'm movin' way too slowI've been a fool before
Wouldn't like to get my love caught
In the slammin' door
How about some information, pleaseStraight up now tell me
Do you really want to love me forever oh, oh, oh
Or am I caught in a hit and run?
Straight up now tell me
Is it gonna be you and me together oh, oh, oh
Are you just having fun?Straight up now tell meTime's standin' still
Waitin' for some small clue
I keep getting chills
When I think your love is trueI've been a fool before
Wouldn't like to get my love caught
In the slammin' door
Are you more than hot for me?Or am I a page in your history book?
I don't mean to make demands
But the word and the deed go hand in hand
How about some information, pleaseStraight up now tell meStraight up now tell me
Do you really want to love me forever oh, oh, oh
Or am I caught in a hit and run?
Straight up now tell me
Is it gonna be you and me together oh, oh, oh
Are you just having fun?You are so hard to read
You play hide and seek
With your true intentions
If you're only playin' games
I'll just have to say
Bye bye bye, bye, bye, bye, bye, byeDo do you love me?Straight up now tell meStraight up now tell me
Do you really want to love me forever oh, oh, oh

Or am I caught in a hit and run?
Straight up now tell me
Is it gonna be you and me together oh, oh, oh
Are you just having fun?Straight up now tell me
