

# Stars Come Out (Tim Mason Remix)

[Zedd](#)

You light me up  
You bring the crowd  
I think about this  
Everytime the stars come out You light me up  
You chase the clouds  
I think about this  
Everytime the stars come out [x5]  
Everytime the stars come You light me out  
You bring the crowd  
I think about this  
Everytime the stars come out You light me up  
You chase the clouds  
I think about this  
Everytime the stars come out [x5]  
Everytime the stars come
