Stars Come Out (Tim Mason Remix)

[Zedd](#)

You light me up
You bring the crowd
I think about this
Everytime the stars come outYou light me up
You chase the clouds
I think about this
Everytime the stars come out [x5]
Everytime the stars comeYou light me out
You bring the crowd
I think about this
Everytime the stars come outYou light me up
You chase the clouds
I think about this
Everytime the stars come out [x5]
Everytime the stars come
