

# Nice 'n' Easy

Barbra Streisand

Let's take it nice and easy  
It's gonna be so easy  
For us to fall in love

Hey baby what's your hurry  
Relax and don't you worry  
We're gonna fall in love

We're on the road to romance, that's safe to say  
But let's make all the stops along the way

The problem now of course is  
To simply hold your horses  
To rush would be a crime  
'Cause nice and easy does it every time

Sit back and let it happen  
No need to race  
I think its all just fallen into place  
So let's start getting cozy  
The future's looking rosy  
Those bells are bound to chime  
'Cause nice and easy does it  
Nice and easy does it  
Nice and easy does it every time
