Smiling

Fabric

(bill luther, aimee mayo, chris lindsey, marv green)
The cover of a magazine, nothing but a paper dream
Just another fantasy for sale
Telling me what I need, what I should do, who I should be
That stuff don't matter to me at all
The sky is blue and the sun is shining
I feel like a bum with a pocket full of diamonds
I'm free as a bird and my spirit's flying
That's enough to keep me smiling
Guru man on my tv set, selling the secrets to happiness
1-800-change-your-life-today
Dreams, I've got my own; I ain't looking for a yellow-brick-road

I'm just gonna go my own way
The sky is blue and the sun is shining
I feel like a bum with a pocket full of diamonds
I'm free as a bird and my spirit's flying
That's enough to keep me smiling
Smiling (smiling), smiling (smiling)
The sky is blue and the sun is shining
I feel like a bum with a pocket full of diamonds
I'm free as a bird and my spirit's flying
That's enough to keep me smiling
I'm still smiling, gotta keep on smiling
I'm still smiling
