

# Man That You Fear

[Marilyn Manson](#)

Advisory - the following lyrics contain explicit language:

The ants are in the sugar, the muscles atrophied  
We're on the other side, the screen is us and we're T.V  
Spread me open, sticking to my pointy ribs  
Are all your infants in abortion cribs I was born into this, everything turns to shit  
The boy that you loved is the man that you fear  
Pray until your number, asleep from all your pain  
Your apple has been rotting, tomorrow's turned up dead I have it all and I have no choice but to  
I'll make everyone pay and you will see  
You can kill yourself now because you're dead in my mind  
The boy that you loved, is the monster you fear Peel off all those eyes and crawl into the dark  
You've poisoned all of your children to camouflage your scars  
Pray unto the splinters, pray unto your fear  
Pray your life was just a dream, the cut that never heals  
Pray now baby, pray your life was just a dream I am so tangled in my sins that I cannot escape  
I am so tangled in my sins that I cannot escape Pinch the head off, collapse me like a weed  
Someone had to go this far  
I was born into this, everything turns to shit  
The boy that you loved, is the man that you fear Peel off all those eyes and crawl into the dark  
You've poisoned all of your children to camouflage your scars  
Pray unto the splinters, pray unto your fear  
Pray your life was just a dream, the cut that never heals  
Pray now baby, pray your life was just a dream The world in my hands, there's no one left to hear you scream  
There's no one left for you When all your wishes are granted  
Many of your dreams will be destroyed
