

Two to the Power of Love (feat. Cliff Richard)

Janet Jackson

[Janet] I know we just met, but I feel like I've known you before
[Cliff] But something about you my heart has been searching
[Janet] I don't understand it, it's over my head
[Cliff] So don't try to solve it, just feel it instead. Ooh[Chorus]
It isn't really such a mystery
Anyway you add it up it turns out to be
Attraction automatic, a simple mathematics
Two to the power of love[Janet] I look in your eyes and everything falls into place
[Cliff] You don't have to say it, it's written all over your face
[Janet] By my calculation, I'm falling for you
[Cliff] It's a perfect equation
[Janet and Cliff] And I know that it's true[Chorus][Janet and Cliff]
It's complicated, but it's easy to see
A combination that was meant to be
It's something you can count on[Chorus]It isn't really just a shot in the dark
Somebody must've worked it out on the chart
Attraction automatic, a simple mathematics
Two to the power of love
