

# Enemies

## Die Kreuzen

Lots of jerks are passing me by  
People I meet say goodbye  
You're too much for me I can't handle  
This race of champs is gonna pass you by  
Nothing to say nothing to do  
If you're so slow don't follow me  
I don't want you here and I don't want you there  
Just leave me alone  
What happens you you I really don't care  
I don't care  
Enemies for me and you are too  
You don't understand there's no need for you  
If you crawl into your corner You'll die  
If you take another punch  
You'll be the fool
