My Heart Would Know

The The

I could say it's over now
That I was glad to see you go
I could hate you for the way, I'm feelingMy lips could tell a lie
But my heart would knowIt's a sin to make me cry
When you know I love you so
I could tell my heart that I don't miss youMy lips could tell a lie
But my heart would knowI could give you all the blame
But I'm sure the truth would show
I could tell this world I found a new loveMy lips could tell a lie
But my heart would knowI can't fool my cryin' heart
Because it knows I need you so
I could tell my heart, I'm glad we partedMy lips could tell a lie
But my heart would knowI could say it's over now
That I was glad to see you go
I could hate you for the way, I'm feelingMy lips could tell a lie
But my heart would know
