

# 4 Degrees

## Anohni

It's only 4 degrees, it's only 4 degrees  
It's only 4 degrees, it's only 4 degrees I wanna see this world, I wanna see it boil  
I wanna see this world, I wanna see it boil  
It's only 4 degrees, it's only 4 degrees  
It's only 4 degrees, it's only 4 degrees I wanna hear the dogs crying for water  
I wanna see fish go belly-up in the sea  
All those lemurs and all those tiny creatures  
I wanna see them burn, it's only 4 degrees And all those rhinos and all those big mammals  
I wanna see them lying, crying in the fields (I want to see them burn) I wanna see them burn, it's only 4 degrees  
I wanna see them burn, it's only 4 degrees I wanna burn them, I wanna burn them  
I wanna burn them, I wanna burn them I wanna burn the sky, I wanna burn the breeze  
I wanna see the animals die in the trees  
Oh let's go, let's go it's only 4 degrees  
Oh let's go, let's go it's only 4 degrees  
Oh let's go, let's go it's only 4 degrees  
Oh let's go, let's go it's only 4 degrees I wanna burn them, I wanna burn them  
I wanna burn them, I wanna burn them
