Was It A Dream?

30 Seconds To Mars

If this is where I'll hide
It was built deep inside
Yeah, I'm a selfish bastard
But at least I'm not alone
My intentions never change
What I want just stays the same
And I know what I should do
It's time to set myself on fire
Was it a dream?
Was it a dream?
Is this the only evidence that proves
A photograph of you and I?
Your reflection, I've erased
Like a thousand burned out yesterdays
Believe me when I say goodbye forever
Is for good
Was it a dream?
Was it a dream?
Is this the only evidence that proves
A photograph of you and I?
(A photograph of you and I)
Was it a dream?
Was it a dream?
Is this the only evidence that proves
A photograph of you and I?
(A photograph of you and I)
Was it a dream?
Was it a dream?
Is this the only evidence that proves
A photograph of you and I?
A photograph of you and I
A photograph of you and I
