

# Was It A Dream?

## 30 Seconds To Mars

If this is where I'll hide  
It was built deep inside  
Yeah, I'm a selfish bastard  
But at least I'm not alone  
My intentions never change  
What I want just stays the same  
And I know what I should do  
It's time to set myself on fire  
Was it a dream?  
Was it a dream?  
Is this the only evidence that proves  
A photograph of you and I?  
Your reflection, I've erased  
Like a thousand burned out yesterdays  
Believe me when I say goodbye forever  
Is for good  
Was it a dream?  
Was it a dream?  
Is this the only evidence that proves  
A photograph of you and I?  
(A photograph of you and I)  
Was it a dream?  
Was it a dream?  
Is this the only evidence that proves  
A photograph of you and I?  
(A photograph of you and I)  
Was it a dream?  
Was it a dream?  
Is this the only evidence that proves  
A photograph of you and I?  
A photograph of you and I  
A photograph of you and I
