Heal

Tom Odell

Take my mind and take my pain
Like an empty bottle takes the rain
And heal.Take my past and take my sins
Like an empty sail takes the wind
And heal.And tell me some things last
And tell me some things lastTake my heart and take my hand
Like an ocean takes the dirty sands
And healTake my mind and take my pain
Like an empty bottle takes the rain
And healAnd tell me some things last
And tell me some things last
